

Double Duty Dad™ Pledge

I, _____, have committed to being a Double Duty Dad™.

As a Double Duty Dad™, I will do my best to protect, nurture, and guide any children under my care. This includes looking out for their safety and well-being.

I will model involved, responsible, and committed fatherhood. I will lead by example and avoid activities or behaviors that would not set a good precedent for children or other fathers I come into contact with.

I will keep my commitments to the children or fathers I mentor, and strive to live with integrity.

I desire to never stop growing and learning how to be a better father, mentor, and friend to other fathers.
