Date of Pre-survey: _____ Person Scoring: _____

Date of Post-survey: _____ Person Scoring: _____

Location of Program: _____ Program Survey (A.M. or P.M.) _____

Read the *Fathering Survey Scoring Instructions* before you complete this worksheet. Use the same worksheet for pre-survey and post-survey answers given by the Dads on the 24/7 Dad™ A.M. Fathering Survey or on the 24/7 Dad™ P.M. Fathering Survey to calculate the frequency (N) and percentage (%) of responses and to determine whether the demographic profile of the group changed during the course of the program (Part A) and how much the Dads learned as a result of participating in the program (Part B).

PART A - ABOUT YOU (N = number of fathers; % = percentage of group)
