

DOCTORDAD® WORKSHOPS

INFANT AND TODDLER HEALTH AND SAFETY WORKSHOPS

Developed by healthcare professionals, these fun, interactive workshops teach fathers the essentials of child health and safety, and help fathers successfully care for their small children right from the start.

Reach new and expectant Dads when they need it most!

Based on feedback from fatherhood practitioners, we've updated our popular Doctor Dad® complete program kit and made it available as four separate workshops for individual purchase or as a set. DoctorDad® Workshops can be presented as 60-90 minute stand-alone workshops, or as supplemental sessions to your current fatherhood programming.

Customize your use of DoctorDad® Workshops to focus on the health and safety issue that matters most to your dads!
